2 Opening an Account

- 2.1 You will need to complete an Application Form as we require certain information and Account Operating Instructions from you before we can open an Account. The Application Form is an important document and forms part of our agreement with you. You can pick up an Application Form from any of our branches or from our Website.
- 2.2 Minimum age restrictions or minimum deposit requirements apply to some Accounts (see Part B, (*Product specific Account Terms and Conditions*)).

- 2.3 When you open an Account with us, we are required to confirm your identity. We do this by asking you to provide documentation confirming your name and your address to us. You can find a list of the documentation that we need published on our Website.
- 2.4 We are required to carry out certain paper-based and/or electronic checks to confirm the accuracy of the information that you have provided to us to fight money-laundering, prevent the use of the banking system for criminal activities, to protect you and us against fraud and to comply with our obligations under Applicable Laws. Be aware that in some instances we may seek clarification from you. We may ask you to send in further information or documents. We may ask you to visit one of our branches.
- 2.5 During our relationship with you, we may need to confirm your identity again by asking you to provide up to date documentation confirming your name and address, (for instance, after a period of inactivity on an Account). You can find a list of the documentation that we need published on our Website. Your co-operation and understanding in such circumstances is greatly appreciated.

3 Joint Accounts

- 3.1 Your Application Form will tell us that you wish to open an Account with other(s) and the Account Operating Instructions will tell us how you want the Account to operate and how you want us to communicate with you.
- 3.2 When you are opening an account with other(s), each joint Account holder will need to sign the Application Form. We are required to confirm the identity of each joint Account holder (see 2.3, 2.4 and 2.5 above).
- 3.3 Monies payable to you, or to any of the other joint Account holder(s), can be credited to the joint Account.
- 3.4 You and each of the other joint Account holder(s) are responsible together and individually for any amounts owing on the joint Account including any overdrafts and loans. This means that if one of you breaches the terms of your Account we may take action against you alone or all of the joint Account holder(s) for the entire amount owing to us.
- 3.5 We will rely on any instruction relating to the joint Account that we receive from you or any of the other joint Account holder(s) in accordance with the Account Operating Instructions for the joint Account (for instance, to withdraw monies from the joint Account) until:
- 3.5.1 we receive written instructions from you, or any of the other joint Account holder(s), not to do so; or,
- 3.5.2 we are informed by you, or by any of the other joint Account holder(s), of a disagreement between the joint Account holder(s);
- we may treat this as a notice of cancellation of the Account Operating Instructions relating to the joint Account and thereafter require all further instructions relating to the joint Account to be signed by you and all of the other joint Account holder(s). If necessary, we may also freeze the joint Account until we are satisfied that the dispute has been resolved.
- 3.6 We will send Account statements and other official communications to the joint Account holder named as the Main Account holder in the Application Form. The Main Account holder is our primary point of contact for the joint Account. The Main Account holder is responsible for sharing the information that we have provided with all of the other joint Account holder(s).
- 3.7 If you are not named as the Main Account holder in the Application Form for the joint Account, you can write to us at any time during our relationship with you, to tell us to send separate Account statements and other communications to you as well as to the Main Account holder. We charge for this (see our *Schedule of Charges, Part 1, Section A, No. 4*).

- 3.8 We may disclose any information that we hold about the joint Account to you or to any of the other joint Account holder(s).
- 3.9 If you, or one of the other joint Account holder(s), dies, your Account Operating Instructions will tell us whether you want us to close the joint Account or to open a new Account in the name(s) of the remaining joint Account holder(s). The surviving joint Account holder(s) should notify us in writing. Where there is no surviving joint Account holder:
- 3.9.1 we will freeze the joint Account. This means that all standing orders will be cancelled and;
- 3.9.2 the money in the joint Account will normally be held by us until we receive legally binding instructions from your estate.

If the joint Account is a Fixed Term Deposit Account, special rules apply (see Part B (*Product specific Account Terms and Conditions, Fixed Term Deposit Accounts*)).

- 3.10 If you, or any of the joint Account holder(s) becomes bankrupt we may freeze the joint Account until we receive instructions from the other joint Account holder(s) and from the trustee in bankruptcy of the bankrupt joint Account holder.

4 Paying Funds into the Account

- 4.1 You can pay money into your Account by way of cash, deposit of cheques, banker's cheque or another acceptable payment instrument made payable to the Account holder(s), or electronic transfer from another Account held with us or an account with another bank or recognized financial institution.
- 4.2 Cash and electronic payments into the Account
- 4.2.1 You may pay cash into your Account over the counter at any of our branches.
- 4.2.2 To pay money into your Account, you must provide the information that we need to identify the Account as follows:
- (i) for cash or electronic transfers, you must provide your name, or the name of your Account, if different, your Account number, (this information can be found on your Account statement) and our sort code (see Appendix 2, (*How to Contact Us*));
 - (ii) for payments using the POS machines located in all of our branches, input your PIN; and
 - (iii) for an international transfer of funds into your Account, the IBAN number (which can be found on your Account statement or by calling us) and SWIFT code (see Appendix 2 (*How to Contact Us*)).
- 4.2.3 US Dollar and Euro notes may be paid into your Account over the counter at any of our branches. If you deposit funds into your Account in a currency other than that of your Account, the relevant funds will be converted at the Bank's Rate of Exchange on the day of the transaction.
- 4.2.4 Cash deposited at one of our branches will be credited to your Account and available to you immediately as long as the deposit is made on a Working Day.
- 4.2.5 Any money paid into your Account by electronic transfer is available for withdrawal the day it is credited to your Account provided that we receive the funds before the Cut-Off Time on a Working Day. Where we received the funds after the Cut-Off Time on a Working Day or on a day which is not a Working Day, the funds will be available to you on the next Working day.

- 4.2.6 We may ask you for evidence of the source of funds deposited in order to satisfy ourselves that the payment is lawful. We do this to meet any legal obligation, to fight money-laundering, to prevent the use of the banking system for criminal activities and to meet our obligations under Applicable Laws or our obligations to our regulators.
- 4.2.7 We reserve the right to refuse to accept an amount paid in if we:
- (i) are not satisfied with the source of the funds;
 - (ii) suspect fraudulent activity; or
 - (iii) reasonably believe that doing so might cause us to breach any Applicable Laws or a legal requirement or our obligations to our regulators.
- 4.2.8 The balance shown on your Account may include payments into your Account which are still being processed and not yet available.
- 4.2.9 If the amount we actually receive differs from that stated by you, we will pay the amount that we actually receive into your Account.
- 4.3 Disputed Payments into your Account
- 4.3.1 If we become aware or if we are advised that a payment has been made into your Account by mistake, we may put a hold on the money so that you can't spend it whilst we investigate. This means that it may appear in your balance or the Account statement but you cannot spend it.
- 4.3.2 We will give you 15 Working Days' advance notice before we return the funds to the paying bank.
- (i) If you agree that the payment was not meant for you, you need do nothing; but,
 - (ii) if you believe that the payment was meant for you, you must tell us within the 15 Working Days to stop us from returning the funds. We may request additional information from you.
- If you tell us that the payment was meant for you, in time, we will not return the disputed funds but we are legally required to share all relevant information regarding the transaction including your name and address with the bank from where the payment came, if they ask us.
- 4.4 Sterling Cheques from a UK bank
- 4.4.1 UK banks rely on Image Clearing. Weekends and bank holidays are not counted for the purposes of the cheque clearing cycle. This system allows banks to clear a digital image of a Sterling cheque rather than the original paper cheque. Cheques deposited with us using this system become 'cleared funds' on the second Working Day (at the latest by 11.59 pm) after the Working Day the cheque was deposited at any of our branches (as long as this was before the Cut-Off Time on the Working Day). This is referred to as the 2-day timescale, as this sets the maximum timescale on which a cheque earns interest and when cheque funds can be withdrawn. For example, if the cheque is deposited before the Cut-Off Time on Monday (day 0) then you will start earning interest and the funds will become cleared funds by the end of Tuesday (day 1). You can be certain that the funds will not be recovered from your Account as a result of the cheque being returned unpaid ("bouncing") if you wait until Wednesday (day 2) before withdrawing the cheque funds. See table below.

Clearing Process	When will the payment earn interest? *	When is the payment available for you to use?	When can you be certain that the cheque won't bounce?
Image Clearing	if we receive the deposit before the Cut-off Time on a Working Day, by 11.59pm on the first Working Day after deposit	if we receive the deposit before the Cut-off Time on a Working Day, by 11.59pm on the first Working Day after deposit	if we receive the deposit before the Cut-off Time on a Working Day, by 11.59pm on the second Working Day after deposit

*** We do not pay interest on all Accounts (see *Part B, Product specific Account Terms and Conditions*) to confirm whether we will pay interest on your Account**

- 4.4.2 A cheque does not clear and is returned to us unpaid (more commonly known as a cheque 'bouncing') when the person who gave you the cheque does not have enough money in their account. If this happens then we will debit the amount of the unpaid cheque to your Account together with any returning charges payable as set out in our Schedule of Charges, (see our *Schedule of Charges Part 1, Section A, No.8*).
- 4.4.3 If you have already withdrawn the funds and your Account goes overdrawn or over an agreed overdraft limit, this will be considered as a request to make or extend use of our unauthorised overdraft facility or an unauthorised overdraft extension (see 16.2 below). Interest on the overdrawn amount will also be debited to your Account in these circumstances. Details of the interest rate applicable can be found in our Schedule of Charges, (see our *Schedule of Charges Part 1, Section A, No.10*).
- 4.4.4 We may not accept a cheque that is more than six months old.
- 4.5 Foreign Currency cheques and instruments
- 4.5.1 Different rules apply to cheques drawn on a non-UK bank, travellers' cheques and banker's cheques payable outside the UK and/or in a currency other than Sterling.
- 4.5.2 You can present the foreign currency cheque and instruments to any of our branches(s). By doing so, you are confirming that you have good title to the foreign currency cheque or instrument and the right to payment.
- 4.5.3 The clearing cycle for a cheque drawn in Sterling from a UK bank (see 4.4.1 above) will not apply because foreign currency cheques and instruments are subject to the rules and regulations of the country on which they are drawn. The time taken for the foreign cheque or instrument to clear will vary according to the method and the place of payment.
- 4.5.4 If you want us to collect payment of a foreign cheque for you, you must "endorse" the cheque by signing your name on the back. Your signature must match the way your name appears on the front of the cheque (as payee of the cheque). If the cheque is payable to more than one person, each person must endorse the cheque.

- 4.5.5 We generally try to “collect” the cheque but we may “negotiate” the cheque. This is explained below.
- (i) When we collect a foreign cheque or draft we send it “on collection” to the foreign bank on which the foreign cheque or draft is drawn. When we do this, available funds will be credited to your Account as soon as payment is received from the foreign bank.
 - (ii) When we negotiate the cheque, we will buy it from you by paying the amount of the cheque in US Dollars or Euros, or by paying you the Sterling equivalent on the day we buy it from you. We may do this, if you ask us to do so, but we are not obliged to do so. Terms will be agreed in writing and we will send them to you.
 - (iii) We use the Bank’s Rate of Exchange when converting a foreign cheque into Sterling.
 - (a) For cheques which we collect, (see explanation above), we use the Bank’s Rate of Exchange on the day we receive the payment from the foreign bank.
 - (b) For cheques which we negotiate, (see explanation above), we use the Bank’s Rate of Exchange on the day we buy the cheque from you.
- 4.5.6 If you are entitled to receive interest on your Account (see Part B (*Product specific Account Terms and Conditions*)) we will pay interest on any funds deposited to your Account by way of foreign cheque or draft after these funds are cleared. The period before the funds are cleared will vary depending on the currency of the instruments and as to where the instrument was issued.
- 4.5.7 If the foreign bank later returns the cheque or asks for the money to be returned, you authorise us to debit the Account with the currency or the Sterling equivalent.
- 4.5.8 We will debit the currency or the Sterling equivalent to your Account. If we had converted the cheque amount to Sterling, we will convert it back into the foreign currency using the Bank’s Rate of Exchange for the relevant currency on the day we debit your Account. We will do this even if you have already drawn the amount from your Account or it will mean that your Account goes overdrawn.
- 4.5.9 We will charge you for dealing with foreign cheques (see our *Schedule of Charges, Part 1, Section A, No. 13*).
- 4.5.10 We will also pass on to you any charges made by the foreign bank, including charges resulting from the foreign bank returning the cheque unpaid or asking for the money to be returned from the Account you instructed us to pay the cheque into. This may mean that we have to take a larger amount from your Account than we originally paid in. The exchange rate for the foreign currency may also have worsened between our crediting and debiting your Account. We will tell you the full amount of the charges that were deducted.
- 4.5.11 Occasionally it may not be possible for us to obtain payment of foreign cheques because of local foreign exchange or other restrictions in the country where the cheque is payable. We will notify you if this is the case.
- 4.6 You agree to reimburse us for any costs, losses, expenses or claims which we may have to pay or suffer as a result of or arising from our attempt to collect or to negotiate the foreign cheque. This means that if we have incurred any costs or other obligations as a result of negotiating or collecting a foreign cheque, the same will be recovered from you, to put us in the position we would have been in had we not attempted to negotiate or collect the cheque.

In other words, we will not incur any loss by collecting or negotiating any cheque / draft / or any other instrument for you.

4.7 International payments into your Account

- 4.7.1 When we receive a payment for your Account in a foreign currency other than that of your Account, we will convert it into the currency of your Account before we credit your Account using the Bank's Rate of Exchange on the day we received the payment.
- 4.7.2 If the payment is in Euros or another currency from the EEA, we will credit it to your Account and make it available for you to use straightaway. We will pay interest on it, if you are entitled to receive interest on your Account (see Part B (*Product specific Account Terms and Conditions*)), or use it to reduce the interest you pay, from the day on which the funds were received by us.
- 4.7.3 For all other currencies, the time it takes us to convert the payment into the currency of your account takes longer so it will be credited to your Account up to two Working Days after we receive the funds.
- 4.7.4 We may deduct our charges for dealing with any international payment before we credit it to your Account, but if we do so, we will inform you the full amount of the payment received and the charges that were deducted.

5 Making payments out of your Account

- 5.1 Depending on the type of Account you have opened, withdrawals (debits) and payments from your Account can be by way of:
 - 5.1.1 cash withdrawals at a branch or an ATM using a debit card;
 - 5.1.2 written instructions (for instance direct debit, standing orders, faster payments, CHAPs and SWIFT instructions);
 - 5.1.3 cheques drawn on the Account;
 - 5.1.4 instructions via Internet and Mobile Banking;
 - 5.1.5 debit card transactions; and,
 - 5.1.6 Banker's cheque or pay order (with our prior agreement).
- 5.2 We may also debit your Account with any charges and other amounts you owe us from time to time as notified to you.
- 5.3 You can only make payments or withdrawals from your Account as long as there are enough funds in the Account to make the payments or withdrawals or you have a pre-approved overdraft.
- 5.4 Cash withdrawals
 - 5.4.1 You may withdraw cash from your Account over the counter at any of our branches.
 - 5.4.2 In order to meet any legal obligation, to fight money-laundering, to prevent the use of the banking system for criminal activities and to meet our obligations under Applicable Laws or our obligations to our regulators, we may query or decline any cash withdrawals. Customer understanding in such circumstances is greatly appreciated.

- 5.4.3 There is no limit to how much money you can withdraw over the counter in our branches as long as you have the money in your Account. If you want to withdraw cash over £2,000, in the case of a personal Account, and £5,000 in the case of a Business Account, please give us 24 hours' advance notice so that we can make sure that the money is ready for you to collect from your nominated branch.
- 5.4.4 In order to withdraw cash over the counter at any of our branches, you must provide your name and your Account number. You may also be asked for proof of identity at any point of time when we are processing the cash withdrawal request.
- 5.4.5 You can also use a debit card to withdraw cash from any ATM in the UK which displays the Mastercard logo. Cash withdrawals from ATMs are currently limited to a maximum of £250 per day. We may change the limit from time to time by giving you at least 2 months' advance notice in accordance with 18 (*Changes to our agreement with you*).
- 5.4.6 Whilst we will not charge you for any ATM withdrawals, there may be a charge payable to the third party operator of the ATM. See further 8 (*Debit Cards*) below.
- 5.4.7 Cash withdrawals in currencies other than Sterling are entirely at our discretion. You must agree the amount and the currency with us in advance by calling us, writing to us, or visiting any of our branches.
- 5.5 Sterling payments out of your Account
- 5.5.1 You can give payment instructions to us in accordance with the Account Opening Instructions and in the following ways:
- (i) in writing - (for instance, by standing order or a direct debit), you will need to complete the direct debit or standing order by providing details about the person you want to pay and then sign it. Your instruction is given once you have passed the standing order document to us or you have passed the direct debit document to the person that you want to pay;
 - (ii) by cheque - you will need to fill in the amount and details of the person you want to pay and then sign it. Your instruction is given once the cheque has been passed to the person you want to pay;
 - (iii) using Internet and Mobile Banking - you will need to log in to your Account in accordance with Part C (*Internet and Mobile Banking*). Your instruction is given once you have confirmed the amount to pay and details about the person you want to pay;
 - (iv) using your debit card in a POS machine - your instruction is effective immediately upon entering your PIN into the POS machine or, for contactless payments, by holding the card near the contactless device;
 - (v) using your debit card - your instruction is effective once you have confirmed the amount and payee and provided the long card number, expiry date, CVV number and your one-time password for on-line purchases;
 - (vi) by visiting any of our branches - Your instruction is effective once you have verified your identity and provided details of the person you want to pay;
 - (vii) by CHAPS (We will charge you for this (see our *Schedule of Charges, Part 1, Section B, No.2*)) - see below

(viii) by Faster Payments We will charge you for this (see our *Schedule of Charges, Part 1, Section B, No. 3*) – see below; and,

(ix) using a Third Party Provider - Your instruction is effective once you have followed the procedures set out by your chosen Third Party Provider (see also 15 below (*Third Parties*)).

5.5.2 Not all of the above payment methods are available on all Accounts – (see Part B (*Product specific Account Terms and Conditions*)).

5.5.3 If you instruct us to make a payment from your Account by email, we will check to see that the email has come from the email address that you have provided to us. To protect us and you, from fraud we may ask you to confirm your payment instruction.

5.5.4 When you give us a payment instruction (other than by cheque) you must give us the name, account number, sort code, amount and reference of the person you want to pay and any other information we need to make the payment. We will rely upon the information that you give to us. Errors in the information may delay the payment or result in the loss of the payment. It is your responsibility to make sure that the details are correct.

5.5.5 We can transfer funds via Faster Payments to a specified account at another UK bank in Sterling, as a single one off payment or as standing instructions. The amount will be debited to your Account on the day we initiate the payment in accordance with your request and it will arrive in the account of the person that you are paying on the same Working Day, provided that we receive your instruction before the Cut-off Time on a Working Day. If the other bank does not support Faster Payments, you have the option to use CHAPS. We will charge you for this (see our *Schedule of Charges Part 1, Section B, No. 2*)

5.5.6 If the specified amount exceeds the Limit for Faster Payment (see our Website) you have the option to send multiple Faster Payments or to use CHAPS for such payments. We will charge you for this (see our *Schedule of Charges Part 1, Section B*)

5.5.7 We may refuse a payment instruction in cases where:

- (i) you are unable to provide satisfactory evidence of the source of funds; or
- (ii) we suspect money laundering or that the payment is in respect of a fraudulent transaction or is otherwise unlawful; or
- (iii) for the security of the Account, card or payment; or
- (iv) where there are insufficient available funds in the Account, irrespective of the available funds which you may have in other Accounts with us.

We will notify you of our decision to refuse a payment instruction as soon as we can using the communication methods set out below (see 20 *Communicating with each other*) unless there are legal reasons which stop us from telling you.

5.6 International payments out of your Account

5.6.1 If you have a Current Account, you may make payments to a person who lives in a foreign country or in a foreign currency. If you ask us to make a payment it is your responsibility to make sure that the details that you give to us are correct. We will rely upon the instruction that you give to us.

5.6.2 If you ask us to make a payment before the Cut-off Time on a Working Day to a person with an account at a bank in the EEA, other than the UK, and the payment

is in Euros, the payment will reach the foreign bank no later than the next Working Day after we received the payment instruction. For payments in other EEA currencies to countries within the EEA, the payment will reach the foreign bank no later than three Working Days after we received your payment instruction as long as it is before the Cut-off Time on a Working Day. The foreign bank receiving the payment from us is required by law to pay it into its customer's account on the day it receives the payment from us.

- 5.6.3 If you ask us to make a payment to a person in another currency or with an account at a foreign bank outside the EEA, we will give you an indication of the date on which the payment is likely to be received by the foreign bank. This does not mean that the person you want to pay will receive the payment on the same day. This will depend on the banking practice of the country concerned. We will use the Bank's Rate of Exchange for selling the relevant currency unless we tell you a different rate applies when you ask us to make the payment. If you make a Sterling payment, we cannot control the exchange rate applied by the foreign bank.
- 5.6.4 When you ask us to make international payments, we will charge you for this (see our *Schedule of Charges, Part 1, Section B, No. 4*) and the charges levied by the foreign bank through whom the payment will be routed over which we do not have any control.
- 5.6.5 We will not be in a position to inform you of the charges that will be levied by the foreign bank, through whom the payment will be routed. Those charges will be deducted from the payment before it reaches the person that you want to pay. This normally means that the recipient will receive less than you originally paid.
- 5.6.6 When we make an international payment for you, we are acting for you as your agent. You must ensure that the payment complies with any relevant local laws.
- 5.6.7 You agree to reimburse us for any costs, losses, expenses or claims which we may have to pay or suffer as a result of or arising from our attempt to make the international payment for you. This means that if we have incurred any costs or other obligations as a result of making the international payment, even if the payment ultimately fails, the same will be recovered from you, to put us in the position we would have been in had we not attempted to make the international payment. In other words, we will not incur any loss in making the international payment for you.
- 5.6.8 There may be a delay in carrying out any payment instruction, while monitoring and/or fraud prevention checks are undertaken, in accordance with Applicable Laws.
- 5.6.9 We may not be able to undertake a payment instruction unless you provide all the required information including the name of the person that you want to pay, their account number, the name of the bank, their intermediary, if applicable, or such other instruction as may be required. If the details you provide are incorrect or not sufficient this may result in us not being able to process the payment or the return of the payment. In these circumstances, we will inform you as soon as possible and no later than 3 Working Days from the date of the instruction.
- 5.6.10 If you asked us to make the payment to an account with another bank and the payment was not made properly or never carried out, we will refund the amount of the payment (except those made by cheque), any charges paid or interest paid or lost as a result of it, unless:
- (i) there was a mistake in any of the details contained in the payment instruction you gave to us; or

- (ii) we can show that the payment was received by the other person's bank (in this case, that bank is required by law to make the payment immediately to that person).
- 5.6.11 Be aware that a refund is not possible once the payment instructions have already been conveyed by us to another bank, unless the funds are returned back to us by the foreign bank stating that the payment could not be executed.
- 5.7 Direct Debits
 - 5.7.1 You can set-up a direct debit on your Account by giving a business or other organization in the UK authority to collect payments from your Account on a regular basis.
 - 5.7.2 If you have allowed a business or organization to take a direct debit from your Account, they will normally tell you at least 10 Working Days before changing the amount, payment date or the frequency, unless you agree otherwise.
 - 5.7.3 Direct debits are not available on all Accounts (see Part B, (*Product specific Account Terms and Conditions*)). When we agree to allow direct debit payments to be collected from an Account, we will allow direct debit payments to be collected from your Account on the dates specified in the direct debit instruction you have given.
- 5.8 Standing Orders
 - 5.8.1 You can set up a standing order by telling us to make regular payments to another account by completing the necessary instruction form in the branch, by post or via Internet and Mobile Banking (see Part C (*Internet and Mobile Banking*)). The form should contain details including your Account number and the name of the Account holder and the name of the person you want to pay, the amount payable and the date of each payment.
 - 5.8.2 Standing orders are not available on all Accounts (see Part B, (*Product specific Account Terms and Conditions*)).
 - 5.8.3 You can amend or cancel a standing order instruction by telling us in writing before two pm on the Working Day before the day on which the standing order payment is due to be debited to the Account.
- 5.9 Cheques
 - 5.9.1 Cheque Books are not available on all Accounts (see Part B, (*Product specific Account Terms and Conditions*)).
 - 5.9.2 The decision to issue you with a cheque book is entirely at our discretion. You may request a cheque book at any time during your relationship with us. Your continued use of the cheque book for an Account is subject to the satisfactory operation of the Account in accordance with our agreement with you. Each cheque book remains our property and we may require you to return it to us at any time during your relationship with us and at the end of your relationship with us.
 - 5.9.3 If we give you a cheque book, please keep it in a safe place to prevent any unauthorised use.
 - 5.9.4 You must tell us as quickly as possible if you lose your chequebook or any individual cheque(s) or believe that your cheque book or any cheque(s) have been stolen (see Appendix 2 (*How to Contact Us*)).

- 5.9.5 You may issue cheques to other persons or organizations for payment from your Account. However, we may decide not to pay a cheque if:
- (i) there is not enough money in your Account to make the payment or the payment would cause your Account to exceed your pre-approved overdraft limit;
 - (ii) the cheque has not been properly made out - (for example, the amount in words is wrong or missing, the figures do not match, the signature is missing or it does not match our record, or any other information is missing or unclear); or
 - (iii) we have reasonable grounds to suspect fraudulent or unlawful activity.
- 5.9.6 Cheques are normally valid for a period of six months from the date of the cheque.
- 5.9.7 You must ensure that you have sufficient funds in your Account when issuing a cheque.
- You must not issue post-dated cheques, because the person that you want to pay is likely to pay it into their bank before the due date. If they do, it is likely that we may honour the cheque when it is presented for payment which means that the cheque may clear by 11.59pm on the second Working Day after it is deposited by the person that you want to pay at his or her bank.

5.10 Banker's Cheque or Pay Order

- 5.10.1 You may request a Banker's Cheque or Pay Order. We charge for this (see our *Schedule of Charges, Part 1, Section A, No. 11*).

6 Something goes wrong with a payment

6.1 Cancelling or changing payments

- 6.1.1 We will charge you when you instruct us to cancel a payment instruction (see our *Schedule of Charges, Part 1, Section B, No. 5 or Part 1, Section C, No. 3*) or to stop a cheque (see our *Schedule of Charges, Part 1, Section A, No. 9*).
- 6.1.2 Be aware that when you ask us to make a payment immediately (for instance an electronic transfer from your Account) we cannot stop or change the instruction because we start processing the payment when we receive the instruction.
- 6.1.3 If you want us to stop, amend or cancel a standing order, direct debit or future dated payment instruction, you must tell us before two pm on the Working Day prior to the day of payment.
- 6.1.4 Be aware that we will not be able to stop, amend or cancel a standing order if you have not instructed us before we are committed to make the payment from your Account.
- 6.1.5 When you want us to stop, amend or cancel a standing order, direct debit or future dated payment, you must give us the following information:
- (i) standing order/direct debit – name of recipient, amount and frequency;
 - (ii) future dated payment - name of recipient, amount and due date of payment.
- 6.1.6 You can stop payment of a cheque by giving us written instruction before the cheque is cleared and payment is made. Your instruction to stop the cheque

should be sent as soon as possible and should include the Account number, cheque number, date of the cheque, name of the person to be paid and the amount of the cheque, with an instruction not to pay the cheque. In exceptional cases, we may accept an instruction over the telephone at our entire discretion, but we will ask you to provide a written confirmation setting out all of the relevant details. We may require completion of our own stop notice form by way of confirmation of your instruction.

6.2 We can refuse to make a payment in the following circumstances:

6.2.1 We may stop or suspend use of your Account or any payment services if we reasonably consider it necessary on grounds relating to:

- (i) the security of the Account, debit card or payment;
- (ii) suspected unauthorised or fraudulent use of a card or Account; or
- (iii) there is a significant risk that you will not be able to repay any amount(s) you owe to us.

In any of these circumstances, we will notify you of our decision to stop or suspend the payment or service and our reasons for doing so. If we are unable to notify you in advance, we will do so as soon as we can afterwards, unless there are legal reasons which stop us from telling you.

6.2.2 We may refuse to action a payment instruction in any of the following circumstances:

- (i) you do not have sufficient funds in the Account to make the payment or the payment would exceed your pre-approved overdraft limit;
- (ii) the payment instruction has not been completed properly or is unclear; or
- (iii) it would be unlawful for us to do so.

In any of these circumstances, we will notify you of our decision to refuse to action a payment instruction, if possible our reasons for doing so and, where possible, the steps you need to take so that we can make the payment, unless there are legal reasons which stop us from telling you.

6.3 Refunds for unauthorised or incorrect payments

6.3.1 If you think there has been an incorrect direct debit payment taken from your Account, you should tell us straightaway. You are protected by the Direct Debit Guarantee Scheme. Details are available at www.directdebit.co.uk.

6.3.2 For other unauthorised or incorrect payments, if either:

- (i) a payment has been made from your Account which you did not authorise; or
- (ii) you instructed us to make a payment but the payment has not been made properly (for instance, the payment did not arrive),

please tell us as soon as possible and no later than 13 months of the date of debit from your Account (using one of the methods set out below (see 20 (*Communicating with each other*)).

6.3.3 As long as you have notified us without undue delay and in any event within 13 months of the date of debit from your Account, we will refund the amount of a payment (except where this is made by cheque) and any charges paid or interest

you have paid or lost as a result of it, as long as none of the circumstances set out in section 6.3.4 below apply. If we reasonably suspect that there may have been a fraud on the Account, we will investigate this before we make any refund to you.

6.3.4 We will not make any refund to you if:

- (i) you tell us more than 13 months after the date of debit from your Account. (In this case, we can only try to recover the payment for you and we may charge you our reasonable costs for doing this);
- (ii) having told us that a payment was not authorised, upon investigation we determine that the payment was authorised by you;
- (iii) a payment was not properly made because the details you provided were incorrect or we can show that the payment reached the other person's bank;
- (iv) you acted fraudulently;
- (v) you haven't kept your debit card or security details safe or you haven't told us that you have lost your card or disclosed your security details, in either case intentionally or carelessly, and your Account is in credit.

6.3.5 Where you have paid for something using your debit card but you have been charged more than you expected to pay, you can ask us to refund the payment if all of the following conditions apply:

- (i) the payment was made to an organization in the EEA; and
- (ii) you did not specify the amount to be paid in your card authorization; and
- (iii) the amount paid was more than you reasonably expected to pay in the circumstances, taking into account your previous spending patterns; and
- (iv) you tell us about the payment within 8 weeks of the date the payment was debited to your Account.

6.3.6 We may ask you for information to enable us to determine whether you are entitled to a refund. We will notify you whether we can make a refund or our reasons for not doing so within 10 Working Days of your request or of receiving all the information we have requested.

6.4 Lost or stolen debit cards or security details - liability for misuse

6.4.1 Where unauthorised payments are made from your Account arising from the use of a lost or stolen debit card or security details, unless you have acted fraudulently, we will be responsible for refunding any unauthorised payments (and any interest and charges incurred as a result) where:

- (i) the misuse occurs before your debit card came into your possession; or
- (ii) the misuse occurs after you told us that your debit card is lost or stolen or that someone else knows your security details.

6.4.2 In other circumstances, you will be responsible for:

- (i) all losses caused by the misuse of your debit card by someone who has it with your consent and which occur before you tell us that the card may have been misused;

- (ii) losses of up to £35 resulting from the misuse of your debit card while it is out of your possession;
- (iii) all losses caused by any misuse of your debit card which is a consequence of your fraud; and
- (iv) where your Account is in credit, all losses that arise because you have failed, intentionally or carelessly, to keep your debit card or your PIN details secret (in accordance with your agreement with us and in particular 8.4 (*Card Security*) below) and where the misuse occurs before you tell us that your PIN details may have become known to someone else.

9 Interest

- 9.1 If you are entitled to receive interest on your Account (see Part B (*Product specific Account Terms and Conditions*)), we will calculate the interest on cleared credit balances on the Account. You can find our Interest Rates in any of our branches and on our Website. If we

pay interest on your Account, we will pay it to you in accordance with HMRC rules (See 13.1 (*Tax Liability*) below).

- 9.2 Where the amount of interest payable is less than £1, €1 or \$1 we will ignore this and it will not be credited to the Account.
- 9.3 Interest rates are subject to variation and we may vary the interest rate applicable to your Account entirely at our discretion at any time unless you have chosen a product with a fixed interest rate (for instance, a Fixed Term Deposit (see Appendix B (*Product specific Account Terms and Conditions*)). We will notify you of any changes in the rate of interest we pay to you (see 18 below (*Changes to our agreement with you*)).
- 9.4 We calculate interest on Sterling deposits on the basis of 365 days in a year. For all other currencies including US Dollar and Euro deposits, we calculate the interest on the basis of 360 days in a year. If your Fixed Term Deposit is for more than one year and you have chosen to receive the interest at the end of the period of deposit, interest will be compounded annually.
- 9.5 Interest is calculated on the daily cleared credit balance on the Account and is applied at different times depending on the type of Account (see Part B (*Product specific Account Terms and Conditions*)).

- 10.4 When you receive your statement, check it carefully and, if there are any entries which appear to be incorrect, please tell us as soon as possible after the date of receipt, so that the matter can be resolved. We will correct any entries made by mistake to an Account as soon as possible after you notify us or we discover the mistake, whichever is earlier.

- 11.4 Be aware that when you are outside the UK some mobile phone operators may charge you for receiving text alerts.
- 11.5 This Service is advisory only and reliant upon third party telecommunications providers. We will not be responsible to you if you miss an SMS Alert because your phone is off, or because you are in an area without network coverage, or because of the failure of any telecommunications network or equipment, or for your non-receipt of an SMS Alert due to any other reason beyond our reasonable control.
- 11.6 We may add, remove or otherwise amend, the list of activities triggering an SMS Alert, at any time, by publishing a notice on our Website.
- 11.7 We may suspend or terminate SMS Alerts without prior notice if you have breached the terms of our agreement with you or if we become aware of your death or bankruptcy.

12 Bank Charges

- 12.1 We will charge you for our Services in accordance with our Schedule of Charges which forms part of our agreement with you. This includes miscellaneous charges see our Schedule of Charges, Part 1, Section E (Miscellaneous Charges) relating to the supply of information such as interest certificates, balance certificates, banker's reference etc. We would normally only charge you the communications charge if you have requested us to send you a large bundle of documents.
- 12.2 You must pay our charges for the operation of your Account and the supply of Services that you have requested. We will debit these charges from your Account even if there is no balance to offset the charges or the payment instruction fails for a reason which is outside our control.
- 12.3 If we increase any of our charges or add any new charges we will give you at least 2 months' advance notice before the changes apply (see 18 (*Changes to our agreement with you*)).
- 12.4 We reserve the right to make reasonable charges for any additional banking services which we agree to provide to you and which are not covered in the Schedule of Charges. We will tell you about the charges and agree the charges with you before we provide the services and such charges will never be higher than our reasonable costs.
- 12.5 Be aware that if we receive any debit instructions from a statutory or government body regarding any tax or other charge required to be paid in connection with your Account, we may make the payment and debit it from your Account.

13 Tax Liability

- 13.1 If you are entitled to receive interest on your Account (see Part B (*Product specific Account Terms and Conditions*)), we will pay any interest due to you in accordance with our agreement with you and current HMRC rules. At the moment we will pay interest to you without deducting any tax at source (that is, 'gross'). Be aware, HMRC may change the rules at any time.
- 13.2 If the total amount of interest you receive exceeds any Personal Savings Allowance to which you are entitled, you may have to pay tax at the applicable rate directly to HMRC. You are

responsible for paying any tax you owe to HMRC. For more information, please visit gov.uk and search for 'Personal Savings Allowance'.

- 13.3 Other taxes or costs may exist that are not paid via us or imposed by us. It is your responsibility to ensure that this tax is paid.
- 13.4 We may be legally obliged to disclose information about you and your Account to HMRC, who may in turn pass this on to other tax authorities in line with international agreements or treaties that may be in force. You agree that we may provide any documentation or information to HMRC that they may be obliged to share with an overseas Tax Authority in accordance with the provisions of any Applicable Laws.
- 13.5 You agree to provide us with personal information, declarations or certifications that we are required to retain by law within 30 calendar days of our request to enable us to determine whether your Account details will need to be reported to HMRC or another overseas Tax Authority.
- 13.6 You agree to inform us promptly in writing if any of your personal information changes or there is any change in the circumstances following any certification that you may have provided to us. We will not be liable to you for any loss you may suffer if we disclose information in accordance with our legal obligations.

14 Right of Set-off

- 14.1 If you have money in any of your sole or joint Accounts with us and you owe us money in another of your sole or joint Accounts, we can use the money you have with us to reduce or repay the amount you owe us. This is our right of set-off. (For instance, if you and your partner have a joint Account with us in credit and a joint loan, we can use the credit balance to repay the joint loan. If you have a joint Account in credit we can also use that money to repay a loan which any of your joint Account holder(s) has with us). We will only do this if we think it is reasonable in the circumstances (including that you will still have enough money to meet essential living expenses).
- 14.2 If there is a court decision against you, we can use money you have in your Account(s) to pay something that you owe us (including interest arising after the date of the final decision) unless the court instructs us otherwise or we are otherwise prevented by law.
- 14.3 Where possible we will tell you in advance before we exercise our right of set-off.
- 14.4 Where the money you have with us is in a different currency to the amounts owed to us, we will convert the credit balance into the currency of the amounts owed to us at the Bank's Rate of Exchange in order to enable us to use our right of set-off.
- 14.5 We cannot use our right of set-off:
 - 14.5.1 against any money in your Account which you are required to hold for anyone else by law; or
 - 14.5.2 in a way that does not comply with any law or regulation.

15 Third Parties

- 15.1 We do not recognize the interest or claim of any person other than the Account holder(s) unless required to do so by law. That may be the case because:
 - 15.1.1 You have given a power of attorney to another person to make financial decisions on your behalf.
 - 15.1.2 You have become mentally incapable of managing your affairs, and we may allow a person appointed by the court to operate the Account.

- 15.2 If you die, we will ask your personal representative to provide proof of their authority and then allow them to close the Account. Special rules apply if you are a joint Account holder or if you have a Fixed Term Deposit (see 3 *Joint Accounts* above and (see Part B (*Product specific Account Terms and Conditions, Fixed Term Deposit Accounts*)). For security reasons, we may not allow another person access to all of the Services we provide to you. If we do allow them to use a Service, you can tell them your security details as long as they agree to keep them safe.
- 15.3 You can instruct a Third Party Provider to access information on your Account(s) or to make payments from your Account(s) online. We expect each Third Party Provider to be open and transparent about its identity and to act in line with relevant regulatory requirements. We will treat any instruction from a Third Party Provider as if it were from you. If you think a payment is unauthorised or may have been made incorrectly, you must tell us as soon as possible, even when you use a Third Party Provider.
- 15.4 We may refuse to allow a Third Party Provider to access your Account if we are concerned about unauthorised or fraudulent access by that Third Party Provider. If we can, we will tell you before we do this and explain our reasons for doing so. If this is not possible, we will tell you afterwards unless doing so will compromise our reasonable security measures or is unlawful. We may provide the Third Party Provider a specific means to access your Account(s). If the Third Party Provider then attempts to access your Account(s) in any other way, we may refuse to allow that access.
- 15.5 We are not responsible for an act (or any failure to act) by someone else allowed to operate your Account as long as we did not know or suspect they were acting dishonestly towards you.

16 Overdrafts (including unarranged overdrafts)

- 16.1 If you think that you may need to borrow money on your Current Account, you must tell us and ask us for an overdraft. The decision to grant you an overdraft or to extend an overdraft is entirely at our discretion.
- 16.2 You may request an overdraft at any time during our relationship with you. Any overdraft is subject to the satisfactory operation of the Account in accordance with our agreement with you.
- 16.3 If we agree to your request, we will advise you of the overdraft limit and the terms of the overdraft will be agreed in writing in a separate facility letter we will send to you. We can ask you to repay an overdraft (in full or in part) at any time. We call this “on demand.”
- 16.4 If you try to make any payment from your Current Account and you do not have sufficient funds available, we may treat this as a request to make or extend use of our unarranged overdraft facilities. We will charge you for this as follows.
- 16.4.1 If we decline your request and an item is returned, you will incur an unpaid item fee (see our *Schedule of Charges Part 1, Section A, No. 7*) for considering the requested payment.
- 16.4.2 If we accept your request and make the payment, you will be charged interest on an unarranged overdraft at the debit interest rate (see our *Schedule of Charges Part 1, Section A, No. 10*).
- 16.5 It is your responsibility to ensure that you have sufficient funds in your Account to make the payments you have requested. We have no obligation to agree to provide overdraft facilities or to increase or extend an existing overdraft.

17 Inactive Accounts

- 17.1 We are committed to safeguarding our customers from financial crime and fraud. We periodically review Accounts and, as a fraud prevention measure, may make you aware that you have an Account which you are not using and which may be susceptible to fraudulent activity. These Accounts pose a specific fraud risk if they are not used for a prolonged period.
- 17.2 We consider an Account to be inactive when there has been no activity, except for the posting of charges and interest, for a period of 12 months. Once an Account is classified as inactive, you cannot deposit any monies into, or make any payments or withdrawals from, the Account but credits via electronic means will continue to be deposited into your Account.
- 17.3 Whilst the Account remains classified as inactive you will not be able to update the information that we hold about you or make any changes to the Account Operating Instructions (for instance, we will not issue a debit card or permit Internet and Mobile Banking on your Account).
- 17.4 In order to reactivate the Account, we will need to confirm your identity again by asking you to provide up to date documentation confirming your name and address. You can find a list of the documentation that we need published on our Website. Your co-operation and understanding in such circumstances is greatly appreciated.
- 17.5 We will tell you if your Account becomes classified as inactive. If there is no balance on your account and we do not hear from you within 2 months' from the date of that notice, we may close your Account (see 19 (*Closing the Account and ending our agreement with you*) below).
- 17.6 If you have not made any transactions on your Account for 15 years despite our attempts to get in touch with you, we will close the Account and treat any balance as an unclaimed asset. We will try to contact you so that we can pay the balance to you. We will charge any fees we may incur to the Account in so doing. If we are still not able to contact you and no transactions have been undertaken for a further 5 years, we may transfer any balance to a scheme of our choosing to help benefit good causes, subject always to complying with all Applicable Laws. If this does happen, you can still claim your money back provided that you can satisfy us that you are legally entitled to it.

18 Changes to our agreement with you

- 18.1 We hope that our agreement with you will last a long time. We can foresee certain circumstances in which it would be fair for us to make some changes but we may make changes for any other reason that we cannot foresee. When we do this, we will tell you about the changes and how they may affect you in advance. For example, we may change our Account Terms and Conditions to comply with our legal obligations, or to reflect regulatory changes or to make improvements in the services we provide.
- 18.2 Any changes will take effect at the end of the two months' advance notice period. If you do not agree to the change you can tell us that you want to close your Account(s) before the end of the notice period. There is no charge for this.
- 18.3 Interest Rates are subject to variation and we may vary the Interest Rate applicable to your Account entirely at our discretion at any time unless you have chosen a product where the Interest Rate is fixed (for instance, a Fixed Term Deposit (see Appendix B (*Product specific Account Terms and Conditions*)).
- 18.3.1 If we reduce the rate of interest we pay to you, we will provide you with 2 months' advance notice personally (for instance we may notify you with your Account statement) or by publishing the change in interest rates on our Website. If you do not accept the reduction in the rate of interest, you may wish to change your Account or close your Account (see 20 (*Closing the Account and ending our agreement with you*)). If you do not notify us within the period of 2 months that

you wish to change your Account or close your Account, we will consider that you have accepted the change and the new Interest Rate shall apply.

18.3.2 If we increase the rate of interest we pay to you we may change the interest rate on your Account at any time with immediate effect so that you immediately benefit from the change (for instance, we increase the rate applicable to a Savings Account).

18.3.3 We may also change the rate of interest we pay to you with immediate effect where the interest rate on your Account is based on an external reference interest rate (for example, the Bank of England base rate).

Where we change the rate of interest we pay to you with immediate effect, we will notify you within 30 calendar days either personally (for instance, we may notify you with your Account statement) or by publishing the change in rates on our Website.

19 Closing the Account and ending our agreement with you

19.1 Our agreement with you will continue until you or we cancel or end it.

19.2 Unless you have agreed to keep the Account open for an agreed period of time (for instance, it is a Fixed Term Deposit Account (see Part B *Product specific Account Terms and Conditions*), you can close your Account at any time. You need not give us a reason. Tell us in writing or visit one of our branches. If you are a joint Account holder, all of the other joint Account holders will be required to notify us to close the Account.

19.3 You can close your Account within a period of 14 calendar days of opening the Account, without any charges, if you are unhappy with the terms of our agreement with you or if you have simply changed your mind. This is known as the “cooling off period.” If you close your Account after the “cooling off period” has expired we will not charge you a fee unless you have agreed to keep the Account open for an agreed period of time (for instance, it is a Fixed Term Deposit Account (see Part B (*Product specific Account Terms and Conditions*)).

19.4 We may close your Account by giving you 2 months’ advance notice, at any time and without giving any reason.

19.5 Additionally, we may immediately close an Account in the following circumstances:

19.5.1 you seriously or regularly breach our agreement with you;

19.5.2 you give us false information in relation to your Account;

19.5.3 we suspect you are using your Account for an illegal purpose; or

19.5.4 you behave improperly towards us, our staff or other customers (for instance in a threatening, abusive or inappropriate manner).

19.6 If you or we give notice to close the Account, our agreement with you shall continue to apply until:

19.6.1 any cheques drawn on the Account have been satisfied;

19.6.2 all other amounts you owe us in respect of the Account, in accordance with our agreement with you or otherwise, (including any payments you have pre-authorised that have not yet been taken out of your Account) have been paid in full.

19.7 Ending our agreement with you will not affect any legal rights or obligations that may already have arisen.

- 19.8 After your Account is closed, you must:
- 19.8.1 not write any cheques;
 - 19.8.2 stop using your debit card(s);
 - 19.8.3 not make any deposits or give instructions for payments out;
 - 19.8.4 not use Internet and Mobile Banking for any Account activity;
 - 19.8.5 not use or request any Services unless we specifically agree otherwise;

 - 19.8.7 repay any money you owe us on that Account (including any payments that you have made or pre-authorized that have not yet been taken out of your account, any applicable interest and charges);
 - 19.8.8 return anything that belongs to us or that we have given to you, such as debit card(s) and cheques, and,
 - 19.8.9 reimburse and indemnify us for any cheques or other pre-authorized payments taken from your Account. In other words, we will not incur any loss by honouring pre-authorized payments after notification of closure.
- 19.9 When we close your Account we will pay or transfer money we hold for you in the Account or to which you are entitled under this agreement, (after deducting our charges and other amounts owed to us), to you, or to any other person in accordance with your instructions. We shall be under no obligation to comply with any future direct debits or recurring transactions. However, we may retain enough money to cover any pending transactions or anything you owe us.
- 19.10 When we close a joint Account, we will seek the instruction of all of the joint Account holder(s) before paying out the proceeds.
- 19.11 If you die, we may require a grant of probate or other legally binding documentation before we release funds.
- 19.12 We may close an Account because it has been inactive (see 17 (*Inactive Account*) above). We will try to contact you by post or other means before we do this.

24 Waiver

If we choose not to enforce our rights under our agreement with you immediately, (for instance, we allow you more time to pay what you owe) it will just be a temporary measure and we may enforce our rights strictly again.

- 11.1 We may make operational changes to the services available to you and to the way in which you access Internet and Mobile Banking at any time. We may also change our security requirements at any time.

- 12.2 The information provided to you via Internet and Mobile Banking may not be updated continuously but at regular intervals. Consequently, any information supplied to you through Internet and Mobile Banking will pertain to the date and time when it was last updated which may not be the same as the date and time when it is supplied to you.
- 12.3 We shall not be liable for any loss that you may suffer by relying on or acting on such information. The read-out, output or the printed output, if any, that you see and receive at the time of operation of Internet and Mobile Banking is a record of your operation of the computer and shall be accepted as conclusive and binding for all purposes. - 12.4 In the event of any dispute, our records shall be binding as the conclusive evidence of the transactions carried out through Internet and Mobile Banking in the absence of clear proof that our records are incorrect or incomplete. Any request for any service, which is offered as a part of Internet and Mobile Banking, shall be binding on you as and when the Bank receives such a request. If any request for a service is such that it cannot be given effect to unless it is

PART D: – Business Accounts

1. Interpretation

- 1.1 Part D does not apply to personal Accounts.
- 1.2 Part D (Business Accounts) contains the terms and conditions applicable to Accounts for sole traders, partnerships, limited liability partnerships, companies and any other business enterprise, body or association. In the event of any conflict or difference in the wording of any other Part and this Part D (Business Accounts), the wording in Part D will be applied in relation to your Business Account.
- 1.3 In Part D, any capitalised terms have the same meanings as Appendix 1 except that the following capitalised terms have the following meanings:

“Business” means anybody corporate or unincorporated association, sole trader, partnership, or any other business enterprise or business association;

“Business Account” means an Account established for business purposes by a Business;

“Business Terms” means the terms and conditions set out in this Part D of the which are applicable to all Business Accounts;

“Charity” means for the purposes of these Business Terms, a body whose annual income is less than £1 million and is a charity as defined in the Charities Act 2011;

“Consumer” means a person who, in utilising the Services, does so acting for a purpose other than a trade, business or profession;

“Micro-enterprise” means any enterprise or group of enterprises of which it forms part which at the time you enter into this Agreement employs fewer than 10 persons and has an annual turnover (or balance sheet) of less than £2million (or its equivalent);

“Personal Account” means an Account utilised by a person acting as a Consumer;

“PSRs” means The Payment Services Regulations 2017 (SI 2017 No. 752) (as amended from time to time).

2 Opening a Business Account

- 2.1 You will need to complete an Application Form for a Business Account. You can pick up an Application Form from any of our branches or from our Website. The information we require from you to set up a Business Account with us is different from a Personal Account and is set out in the appropriate Application Form which you should read carefully.
- 2.2 When you open a Business Account with us, we are required to confirm your identity. We do this by carrying out paper-based and/or electronic checks to confirm the accuracy of the information that you have provided to us to fight money-laundering, prevent the use of the banking system for criminal activities, to protect you and us against fraud and to comply with our obligations under Applicable Laws. Be aware that in some instances we may seek clarification from you. We may ask you to send in further information or documents. We may ask you to visit one of our branches.
- 2.3 During our relationship with you, we may need to confirm your identity again by asking you to provide up to date information or to make any other enquiries necessary. Where paper-based documents are requested or provided they must be either originals or certified copies.

- 2.4 We will not open a Business Account if you do not satisfy our requirements in relation to establishing your identity under relevant Anti-Money laundering legislation and, in the event that we do refuse under this section to open a Business Account, we will refund any monies received to you without interest or charge, provided that we are permitted to do so under applicable Anti-Money laundering legislation.

3 Partnership Accounts

- 3.1 Your Account Operating instructions will tell us how you want the Account to operate (for instance who can sign cheques on the Account) and how you want us to communicate with you.
- 3.2 When you are opening the Business Account, each Account holder will need to sign the Account Operating Instructions. We are required to confirm the identity of each Account holder (see section 2.2 and section 2.3 above).
- 3.3 You and each of the other Account holder(s) are responsible together and individually, for any amounts owing on the Account, including any overdrafts and loans. This means that if one of you breaches the terms of your Account, we may take action against you alone, or all of the Account holder(s), for the entire amount owing to us.
- 3.4 We will rely on any instruction relating to the Account that we receive from you, or any of the other Account holder(s), in accordance with the Account Opening Instructions for the Account (for instance, to withdraw monies from the Account) until we are informed by you, or by any of the other Account holder(s), of a disagreement between the Account holder(s). We may treat such notice as cancellation of the Account Opening Instructions relating to the Account and thereafter require all further instructions relating to the Account to be signed by you and all of the other Account holder(s). If necessary, we may also freeze the Account until we are satisfied that the dispute has been resolved. We may also ask for the return of unused cheques and suspend operation of our other Services such as debit card and Internet Banking.

4. Instructions

- 4.1 Any request or instruction should be given to us in writing on the official headed paper of your Business and signed by the authorised signatory or authorised signatories in accordance with the Account Operating Instructions. We may accept instructions by fax and/or as a scanned copy by email if we have agreed to this in writing.

5 Business Debit Cards

- 5.1 We will issue debit cards per Business Account (and a related PIN) for use by any individual named in your Account Operating Instructions (we call this person an “authorised user”). You will be liable for all amounts arising from, or incurred by us in connection with, the use of a debit card by an authorised user (including any use in breach of our agreement with you which we shall be under no obligation to prevent) which may be debited to your Business Account.
- 5.2 You must follow, and you must ensure that each authorised user follows, any instructions that we give in connection with the safekeeping of the debit card, card details and PIN and any other requirements in Part D applicable as a cardholder. In particular each authorised user,
- 5.2.1 must sign their debit card as soon as it is received; and,
- 5.2.2 must not allow anyone else to use their card, card details or PIN and must always keep their card safe; and,
- 5.2.3 must not use the card nor the card details for any illegal purpose.

5.3 We may cancel or suspend the use of a debit card at any time if we reasonably suspect fraudulent or other misuse of the debit card or that any security requirements relating to the use of the debit card, card details or PIN have been compromised. If we do cancel or suspend the use of a debit card, we will tell you as soon as possible unless the law prevents us from doing so or we reasonably believe it would undermine our security measures. Once a debit card has been cancelled you should ensure that the authorised user stops using the debit card and that the debit card is destroyed by cutting it in half across the black stripe and/or through the chip.

6. Our Liability for non-executed, defective or late execution of transactions

6.1 This section 6 will only apply to you if you are **NOT** a Consumer or if the Business you operate is **NOT** a Micro-enterprise or a Charity (see section 1 above).

6.2 If we fail to execute (other than in situations where you have not provided us with all of the required information), or incorrectly execute a payment transaction on your Business Account, we shall be liable to you for any reasonable losses incurred by you but only if they arise directly from our breach of our agreement with you or our negligence, and if in the ordinary course of events and with the knowledge we had, we might reasonably have expected such loss to result directly from such breach or negligence. Our liability pursuant to this section 6 of Part D shall be limited:

6.2.1 To the amount (if any) necessary to reimburse you as required by law in respect of the transaction pursuant to which our breach or negligence occurred; and

6.2.2 To the amount of any interest and charges directly incurred by you on the Account that would not have been incurred otherwise.

Beyond this we shall have no further liability to you for a failure to execute properly or a failure to execute at all for any reason.

6.3 Where you have told us that there has been an unauthorised transaction on your Account you will be liable for such transactions unless we are reasonably satisfied that the transaction was unauthorised. Subject to section 6 above, if the transaction was unauthorised we will refund to your Business Account the amount of the transaction and any interest and charges directly incurred on the Business Account as a result of the transaction. Beyond this we will have no further liability to you for an unauthorised transaction.

6.4 We shall not be liable for the defective execution or payment of cheques unless we are negligent or in breach of our agreement with you. If you tell us that there has been an unauthorised cheque payment on your Business Account we will only be liable to you if we are reasonably satisfied that the cheque payment was not authorised by you. If we are liable to you under this section 6.4, we will refund to you the amount of the payment, to the extent the payment has been wrongly paid away, and any charges or interest you paid as a result of it, and pay you any interest we would have paid you on that amount, but beyond this we will not have any further liability to you.

6.5 If you are telling us about an unauthorised transaction on your Business Account, you need to tell us within 13 months of the payment or the money being taken out of your Business Account if you want to claim a refund. If you tell us after this time, we will still look at your request for a refund, but we won't need to give you a refund within the times mentioned in Part A.

6.6 You agree that the following regulations of the PSRs shall not apply in respect of our Services and your Business Account:

6.6.1 Part 6 (Regulations 40 to 62 (inclusive));

6.6.2 66(1) (charges);

- 6.6.3 67(3) and 67(4) (withdrawal of consent);
- 6.6.4 75 (evidence on authentication and execution);
- 6.6.5 77 (payer or payee's liability for unauthorised transactions);
- 6.6.6 79 (refunds for payment transactions initiated by or through a payee);
- 6.6.7 80 (requests for refunds for payment transactions initiated by or through a payee);
- 6.6.8 83 (revocation of a payment order);
- 6.6.9 91 (non-execution or defective or late execution of payment transactions initiated by the payer);
- 6.6.10 92 (non-execution or defective or late execution of payment transactions initiated by the payee); and
- 6.6.11 94 (liability of payment services provider for charges and interest),

and that any other Regulations of the PSRs which we are entitled to disapply shall be disapplied to the maximum permitted extent.

- 6.7 Nothing in this section 6 excludes our liability for fraudulent misrepresentation by us, our employees or agents, our liability for personal injury caused by our negligence or the negligence of our employees or agents, or any other liability on our part which cannot be excluded by law.

7. Termination

(including entering into negotiations) with a view to readjustment, rescheduling, forgiveness or deferral of any part of your indebtedness;

- 7.1.5 if you are a partnership (including a limited liability partnership) or unincorporated association, you dissolve or a petition is presented for an order to be made for the winding-up of the partnership or an application or a petition is presented or made for an administration order against the partnership;

8. Operation of the Business Account

- 8.1 Unless you have provided otherwise in the Account Operating Instructions each person named in the Account Operating Instructions as an authorised signatory of the Business Account(s) has individual authority without any restriction to operate all your Business Account(s). Therefore, each authorised signatory will be able, for example, to withdraw money from any of your Business Account(s) (which may be without the knowledge of the other authorised signatories).
